Milena Timur:you are welcome
Noha Fathy:TBH I still didn't get an opportunity to look at the diagrams. I am planning to do so during the weekend and will share my feedback on the mailing list
Noha Fathy:Yes, I have the diagrams in front of me, Manal
Noha Fathy:I agree on the second point
Milena Timur:I've just put the FA1- FA2-FA3 strategy flow diagrams on the screen
Noha Fathy:Can you hear me?
Baher:no
Milena Timur:no
Manal Ismail:no we can't ..
Manal Ismail:yes ..
Manal Ismail:I think both Noha ..
Noha Fathy:Clear .. thanks, Baher.
Noha Fathy:Thanks for your input, Manal
Ahlam Abu-Jadallah:Hello Every Body
Milena Timur:hello Ahlam Abu-Jadallah
Baher:Hi Ahlam
Manal Ismail:Hi Ahlam ..
Manal Ismail:Noha you'r voice is breaking ..
Manal Ismail:now we can ..
Noha Fathy:Let me type it
Manal Ismail:She's referring to Human Rights ..
Noha Fathy:yes
Noha Fathy:ICANN has a HR track
Noha Fathy:Why it isn't incorporated in the strategy?
Noha Fathy:So I will take this to the mailing list
Noha Fathy:Sure
Noha Fathy:Thanks, Baher

Noha Fathy:IG ecosystem, I guess
Noha Fathy:This is valid question, Manal
Noha Fathy:We need to agree on how we would like to tackle this
Noha Fathy:bottom-up or top-down?
Ahlam Abu-Jadallah:I guess bottom-up will be the good approach here Noha , what do you think ?
Noha Fathy:I guess both works, we just need to reach an agreement first, to have constructive discussion and concrete outcomes
Noha Fathy:Thanks
Ahlam Abu-Jadallah:right Noha
Noha Fathy:I guess we need to take the point of how we would like to tackle the diagrams bottom-up or top-down to the mailing list and from there we can start looking at the diagrams
Noha Fathy:Yes, the diagrams
Manal Ismail:we're working Top-down on the diagrams i guess ..
Noha Fathy:Ok, fair enough
Manal Ismail:reading them :) ..
Noha Fathy:no
Ahlam Abu-Jadallah:I did not get your point Manal ?
Noha Fathy:I guess it could better be understood when you look at the relevant action
Noha Fathy:But def it needs to be rephrased
Ahlam Abu-Jadallah:As Noha, I understood it from the related actions
Ahlam Abu-Jadallah:since the objective itself was not clear enough for me
Manal Ismail:yes .. agree .. on a second reading they are different ..
Manal Ismail:also agree that the forth one is quite broad ..
Noha Fathy:Thanks. I will have a close look and share my comments on the mailing list
Manal Ismail:we can try to make concrete suggestion on the mailing list ..
Noha Fathy:I have a question re the DNA entrepreneurship centre, I agree that we need to pay more attention to it and see how we can better use the center to better support our strategy
Ahlam Abu-Jadallah:If you want to go with that Manal, most of the actions is not much specific , all of them are talking in general ideas
Manal Ismail:*suggestions
Manal Ismail:@Ahlam at least at the action level we need to be specific ..
Noha Fathy:Sorry it is a comment not a question
Manal Ismail:+1 Noha ..
Noha Fathy:Thanks everyone
Ahlam Abu-Jadallah:Then Manal we need to re-create these actions
Manal Ismail:Thanks Baher and everyone .. Bye ..
Milena Timur:thank you all, bye
Ahlam Abu-Jadallah:Thanks ALla
Baher:Thnx
Baher:Bye
Ahlam Abu-Jadallah:Bye
