Fahd Batayneh: (12:43) Michael and All, the ME SPace and the MEAC-SWG meeting are distinct. I will share more information on the SWG meeting in a while

Walid Al-Saqaf: (12:43) The above is purely for the MEAC-SWG session if I understand correctly

Fahd Batayneh: (12:43) For now, let is just talk about the space and the funding part

Michael Oghia: (12:44) Yes, the document I initiated is JUST for the MEAC-SWG meeting

Michael Oghia: (12:46) I see. Ok, I wasn't sure if we should be time-driven (based on the amount of time we have) or agenda-driven (based on the work we need to do). And yes, +1 Fahd

Zahr BG: (12:47) Would the SWG meeting be also accessible through adobe connect? (for remote SWG members?)

Manal Ismail: (12:48) Can we compile all lists of events and share them in writing please ..

Fahd Batayneh: (12:48) @Zahr, on your question, that would depend on where the meeting takes place

Michael Oghia: (12:48) +1 Manal! Thank you, I don't know where these events are listed (most are likely unpublished)

Zahr BG: (12:49) Thanks, Fahd. Remote participation would be nice.
