

I. Cooperative Engagement Process

Bylaws Comparison

OLD BYLAWS

Article IV, Section 3

14. Prior to initiating a request for independent review, the complainant is urged to enter into a period of cooperative engagement with ICANN for the purpose of resolving or narrowing the issues that are contemplated to be brought to the IRP. The cooperative engagement process is published on ICANN.org and is incorporated into this Section 3 of the Bylaws.

15. (Upon the filing of a request for an independent review, the parties are urged to participate in a conciliation period for the purpose of narrowing the issues that are stated within the request for independent review. A conciliator will be appointed from the members of the omnibus standing panel by the Chair of that panel. The conciliator shall not be eligible to serve as one of the panelists presiding over that particular IRP. The Chair of the standing panel may deem conciliation unnecessary if cooperative engagement sufficiently narrowed the issues remaining in the independent review.)

16. Cooperative engagement and conciliation are both voluntary. However, if the party requesting the independent review does not participate in good faith in the cooperative engagement and the conciliation processes, if applicable, and ICANN is the prevailing

party in the request for independent review, the IRP Panel must award to ICANN all reasonable fees and costs incurred by ICANN in the proceeding, including legal fees.

17. All matters discussed during the cooperative engagement and conciliation phases are to remain confidential and not subject to discovery or as evidence for any purpose within the IRP, and are without prejudice to either party.

NEW BYLAWS

Article IV, section 4.3(e)

Cooperative Engagement Process

(i) Except for Claims brought by the EC in accordance with this Section 4.3 and Section 4.2 of Annex D, prior to the filing of a Claim, the parties are strongly encouraged to participate in a non-binding Cooperative Engagement Process (“CEP”) for the purpose of attempting to resolve and/or narrow the Dispute. CEPs shall be conducted pursuant to the CEP Rules to be developed with community involvement, adopted by the Board, and as amended from time to time.

(ii) The CEP is voluntary. However, except for Claims brought by the EC in accordance with this Section 4.3 and Section 4.2 of Annex D, if the Claimant does not participate in good faith in the CEP and ICANN is the prevailing party in the IRP, the IRP Panel shall award to ICANN all reasonable fees and costs incurred by ICANN in the IRP, including legal fees.

(iii) Either party may terminate the CEP efforts if that party:

(A) concludes in good faith that further efforts are unlikely to produce agreement; or

(B) requests the inclusion of an independent dispute resolution facilitator (“IRP Mediator”) after at least one CEP meeting.

(iv) Unless all parties agree on the selection of a particular IRP Mediator, any IRP Mediator appointed shall be selected from the members of the Standing Panel (described in Section 4.3(j) below) by its Chair, but such IRP Mediator shall not thereafter be eligible to serve as a panelist presiding over an IRP on the matter.
