Mitigation Plan

Supporting Participation in Current Engagement Events- Identify key engagement events in the region and provide additional support for our LAC community to participate.

Supporting Participation in Regional and Global Events- Provide additional support for people in the LAC region to attend LACNIC/LACNOG, LACTLD Workshop, III LAC DNS Forum, the Regional IGF (LACIGF) in San Jose, Costa Rica, the Caribbean IGF and the Global IGF.

Remote Hubs- Organize strategic remote hubs in the region for ICANN56 and ICANN57.

Webinars and Read-Out sessions- Coordinate webinars prior to ICANN56 and ICANN57 as well as Read-Out sessions to debrief the community on the activities of each of the meetings.

CEO/GLs/Experts presence in the Region- Identify events in the LAC region where the presence of ICANN leadership and experts could add value to the region. (i.e LAC DNS Forum August 2016)
