

Brenda Brewer: Good day all and welcome to Safeguards & Trust SubTeam Meeting #14 on 12 July 2016 @ 13: 00 UTC!

Gaongalelwe: hello team

Karen Lentz: hello Gao

Brian Aitchison: Good morning all

Brian Aitchison: /evening

Gaongalelwe: Brenda is it still impossible to call out to me?

Gaongalelwe: hello Karen

Brenda Brewer: I can call you Gao.

Gaongalelwe: thanks Brenda. please let's try

Jonathan Zuck: oh I missed i had been assigned the typo squatting. I already reported on the other one

Jonathan Zuck: that makes sense!

Brian Aitchison: those sound like good questions Drew

Brian Aitchison: comprehensive yet simple

Jonathan Zuck: perfect for the hypothesis worksheet!

Drew Bagley: DNS Abuse discussion papers:

Drew Bagley: 1. Is there more or less DNS abuse in the new gTLDs? 2. Did the safeguards help to prevent DNS abuse? 3. Have the safeguards been fully implemented?

Carlton Samuels: Howdy all

Karen Lentz: Agree with Jamie - could look at legacy space vs new gTLD space in terms of rights protection/infringing activity

Carlton Samuels: Apologies for late joining. Summer school duties

Karen Lentz: as well as looking at preventive and curative elements of new gTLD safeguards

Eleeza Agopian: Here's the data we have on RPMs: <https://www.icann.org/resources/pages/cct-metrics-rpm-2016-06-27-en>

Eleeza Agopian: This link has the original combined advice from the GNSO and ALAC, with revisions based on the IAG's discussion:

Jonathan Zuck: we'll have to come up with some sort of Game of Thrones punishment for those who don't do their work...

Brian Aitchison: haha

Jonathan Zuck: Shame, shame, shame...

Carlton Samuels: Jonathna is in his medieval mode

Brian Aitchison: no think we got it

Jamie Hedlund: Nothing from me

Carlton Samuels: No sir.

Carlton Samuels: Thank you Drew

Carlton Samuels: Thanks all

Brian Aitchison: thanks drew!
