- **Redelegation of CCTLDs standard procedures – also to revision and Exclusion.**
- **results from the government survey about their relationship with the ccTLDs.**
- **Security issues no dot TLDs , IPv4 exhaustion / IPv6 and new gTLDs metrics**
- ***IANA transition* – CCWG has GAC representatives – Argentina, Brazil, Canada, Denmark and Iran.**
- **Participation at CCT – *Consumer Choice e Trust***

Points under debate at ALAC

- **Debate about Consumer interest – majority of action inside ALAC and any other group shall start with the main question – is this for the interest of the end users? - based on Mission of ICANN – Security& stability of the net + benefice of end users.**
- **Approved rules for Selection committee – first action select ALAC candidate for *Costumer Standing Committee*.**
- **The ALAC Appointee Selection Committee has 10 members, consist of ALT Members (except for Chair's region) + one ALAC Member of the Chair's region + one regional representative selected by each RALO's leadership as per their processes.**
- **The entire ALAC Appointee Selection Committee makes recommendation of SO/AC Liaisons to the ALAC .**
- **Approval of standards of behavior**

....ALAC

- The ALAC adopts the revised RoP (rules of Procedures) as distributed on 06 June 2016 related to Section 19 as amended during the ALAC meeting at ICANN56.
- ICANN FY17 Operating Plan and Budget
 - new approvals for General Assemblies for Ralos as proposed by ALAC , and for special programs as webinars and events supported by ICANN
- AT Large review process- we had meeting with the winner company explaining their work and afterwards many of us (ALAC + ALSs) members were interviewed by members.
- Liaison to GAC was approved and for Helsinki, Yrjo was selected by facility – there will be a selection for GAC liaison to the GAC for next meetings.

Board Decisions .

- Delegation of the бr ("bg") domain representing Bulgaria in Cyrillic script to Imena.BG Plc (Names.BG Plc)
- FY17 Operating Plan and Budget
- Independent Review of the Generic Names Supporting Organization Final Report and Recommendations
- Revised Expected Standards of Behavior
- New gTLD Program: Reviews and Future Path -
- Review of .HOTEL Application Status

Thank you !
