ICANN Learn

Purpose

Purpose

Purpose

Information about ICANN is spread amongst many platforms and is often difficult to locate and access; ICANN Learn is a central repository for information relevant to new, existing, and potential community members

ICANN | LEARN

Vision

Transform ICANN Learn into the go-to informational platform on all things ICANN, offering relevant and up-to-date material designed to inform and educate all interested parties

ICANN Learn

At a glance

ICANN

At a glance

- 52 courses across six language platforms
- 2400+ users
- Topics range from event-specific training to general ICANN knowledge and skill-building
- Courses are designed by staff and community members
- Courses are always free, both to create and to participate in
