

At-Large – Board Joint Meeting

Monday, 7 November 2016 | ICANN57

Topics for Board and At-Large

QUESTIONS FROM THE BOARD TO THE AT-LARGE COMMUNITY:

- What do we (Board and ICANN organization) have to do to make the transition work for you?
- What do we (Board, ICANN organization and community) need to do to advance trust and confidence in what we do?

TOPICS FROM THE AT-LARGE COMMUNITY TO DISCUSS WITH THE BOARD:

- The ALAC position on the new gTLD subsequent round.
- ATLAS II Recommendations Implementation Update - Final Report and Next Steps.

QUESTIONS SUGGESTED BY RINALIA ABDUL RAHIM, DIRECTOR SELECTED BY AT-LARGE:

- There is an At-Large Review going on currently. What improvements have been implemented from the last one that has made a real difference and what we have learned from the process.
- What accountability mechanisms exist in the At-Large system that are important to you and that you would like the Board to be aware of?
- What help do you need to enhance the effective engagement and participation of end users in the At-Large?
