

Hi folks,

Please plan to discuss progress and the path forward for our discussion papers. We will be presenting drafts of all discussion papers by the Vienna meeting so the now is the time to 1) refine discussion questions (and sub-questions); identify data sources; and ask questions about the formats that have been circulated. We can use tomorrow's session to clarify any questions and discuss any obstacles that folks are experiencing. If you have additional topics for the agenda, please let Alice and I know ASAP.

1. Welcome, roll-call, Sol
2. Progress updates on discussion papers (leads: Lauren; Drew [will be absent]; Fabro; Carlton; David)
Prepare to discuss:
 - a. Discussion paper questions (Too broad? If so, let's discuss sub-questions)
 - b. Specific Data sources
 - i. Identify the top 3 (or applicable number) data sources you will be reviewing for your discussion paper
 - c. Challenges you are facing and how we can overcome them
3. Discussion papers methodology
 - a. Comments/questions on discussion paper format
 - b. Formulating hypotheses
4. Next steps (leads to reach out to subteams)
 - 11 August – call with leads
 - 16 August – call with leads
 - 22 August – first draft of discussion paper
 - 23 August – S&T call to discuss first drafts
 - 26 August – send drafts to CCT for Vienna discussions
5. A.O.B
