

I am a member of the ALAC and represented APRALO on the BMSPC in 2014. I was also part of the team which contributed to the review of the BMSPC and BCEC processes based on our experiences in 2014 in order to improve the way the Board Member Selection Process is handled.

I have been involved in At-Large activities since 2010 and am on several ALAC working groups as well as regional community committees. I have an understanding of the commitment that is required for this important process and would like to volunteer to be involved in the BMSPC (As an ALAC member, I do not qualify for the BCEC role).
