

I am writing to express my willingness to serve on the Board Member Selection Process Committee (BMSPC) during the 2017 At-Large Board Member 2017 Selection process.

In 2014, I served on the Board Member Selection Process Committee (BMSPC) during the 2014 At-Large Board Member Selection Process.

In 2010, as LACRALO Secretariat, during the time of the 2010 At-Large Director Process, I was aware of the Board Selection Process and was informing LACRALO during that time, even though I wasn't a member of the BMSPC at that time.

I have participated in many At-Large WGs And ALAC over the years including the At-Large RoP WG, see <https://community.icann.org/display/atlarge/Dev+Anand+Teelucksingh+SOI>

I can also confirm that I am not submitting any Expression of Interest (EOI) for the position of the Board Director selected by At-Large

Kind Regards,

Dev Anand
