Subject: Application to the SSR2-RT as independent Expert

Dear Sir,

I am writing with reference to your Call for Volunteers for the Second Security, Stability, and
Resiliency of the DNS (SSR2) Review Team.

I believe you will find that my 20years+ international experience in technical operations of IP
networks and Domain Name systems and project management has prepared me for this opportunity to
serve once again the Internet Community.

Member of the SSAC(2001-2015), I have a good experience with the Internet's unique identifiers
Security and stability matters and ICANN processes. This coupled with my long AFRINIC experience
gives me enough expertise and skills to serve this Security, Stability and Resiliency of the DNS Review
Team.

Beside these skills and expertise, I have a profound understanding of the usage of the Internet's unique
identifiers, especially the domain names in the context of developping world which can useful for the
Review Team.

My Resume gives more information of the rich experience and expertise, I will bring to the Review
Team with the excitement to serve the Community by ensuring ICANN is enhancing the
operational stability, reliability, resiliency, security and global interoperability of the Domain Name

Yours faithfully,
