

MOTIVATION LETTER

28th July, 2016

Dear Sir/Madam;

With this letter I hereby would like to apply for the Position of Volunteer Review Team Member in “ICANN” company in Kigali.

I would high appreciate to be given an opportunity to become a Team member. I already have some knowledge on the main position as I studied Electronics and communication systems engineering in University of Rwanda.

As a special added value of this event I find the opportunity to network with other professional from the World, which is an exceptional opportunity for horizontal exchange of experience. I perceive this also as an occasion to familiarize with good practices as a channel for my personal development.

I would highly appreciate to be considered on the position.

Sincerely,

Christine BAYIZERE
