

LETTER OF MOTIVATION for the Position of **Volunteer Review Team Member**

**My name is Modou NS Njie and I am currently working as an Independent IT consultant and social entrepreneur. I run an IT company called N-WEB PLUS offering IT solutions ranging from web design, software development and project management.**

**I have been a member of Internet Society Gambia chapter and Global chapter for more than 5 years. I have served as Vice President of ISOC Gambia chapter for 4 years. I have also attending ISOC/Afrinic related events, the last one being AFRINIC- MAPUTO in which I earned a fellowship.**

**I have been a keen follower of ICANN activities and have learnt a lot about the organisation during my various trips/workshops. Even though i have never served on an ICANN review team before i believe my wealth of experience in the ICT industry spanning almost 20 years can be an asset to the team as i have served managerial and leadership roles in my career. I am also a good listener with a keen attention to detail. I am level headed and a quick learner and adaptor.**

**I believe my being a team member will serve as a great asset to the entire team based on my experience. I am a good team player as well.**
