

AC Chat - CCT Review wrap-Up and Debriefing – 5 November 2016

Presentation Laptop: Hello, my name is Pamela Smith and I will be monitoring this chat room. In this role, I am the voice for the remote participants, ensuring that they are heard equally with those who are "in-room" participants. When submitting a question that you want me to read out loud on the microphone in this session, please provide our name and affiliation if you are representing one, start your sentence with <QUESTION> and end it with <QUESTION>. When submitting a comment that you want me to read out loud on the microphone, once again provide your name and affiliation if you have one and then start your sentence with a <COMMENT> and end it with <COMMENT>. Text outside these quotes will be considered as part of "chat" and will not be read out loud on the mic. Any questions or comments provided outside of the session time will not be read aloud.

Presentation Laptop: All chat sessions are being archived and follow the ICANN Expected Standards of Behavior.

Presentation Laptop: Please note that, at the request of Goran Marby and Theresa Swinehart, this will be a brainstorming session as opposed to a formal wrap-up of the CCT Review as originally planned.

Calvin Browne: is the CCT Review rescheduled or is it replaced?

Presentation Laptop: Calvin, it is replaced with a brainstorming session at Goran Marby's and Theresa Swinehart's request.

Calvin Browne: ok

Presentation Laptop: We've been working on logistics so I apologize for not letting you know.

Calvin Browne: no problem

Presentation Laptop: The team is currently in brainstorming mode. There will be no audio until they discuss results at 12:00 IST.

Presentation Laptop: Audio is now open for this session.

Calvin Browne: <comment>ICANN then becomes a registry</comment>

Calvin Browne: <comment>an extra day sounds useful</comment>
