# IRT Meeting Schedule

- One of the most popular day/time options was 14:00 UTC on Tuesdays.
- This is also a better time for IRT members in APAC region, so decided to choose this time.
- Poll distributed prior to time change in many regions.
- Did volunteers intend for this time to shift one hour later after the time change or to keep the same time?

# Call for Additional Expertise

- We have identified an experience gap among IRT members
- Seeking additional IRT volunteer(s) with experience with privacy/proxy services that are not affiliated with or otherwise working with an ICANN-accredited registrar
- Please send any suggestions to [amy.bivins@icann.org](mailto:amy.bivins@icann.org)

# Discussion Topic 1: Draft Policy Outline v1

- Distributed draft policy outline prior to this meeting
- Outline proposes structure for Policy
- Notes and any questions on specific sections noted in comment bubbles
- Seeking your feedback: Does this seem logical and complete to you?
- Please provide feedback by 12 December 2016

# Policy Outline (Overview)

- Section I: Scope and Definitions
- Section II: Terms and Conditions of Accreditation Agreements
- Section III: Specific Requirements Related to Requests From Intellectual Property Holders
- Section IV (Proposed/Placeholder): Specific Requirements Related to Requests From Law Enforcement
- Section V: Best Practices
- Section VI: Reviews and Record-Keeping
- Section VII: Program for Accreditation of Privacy and Proxy Service Providers

# Discussion Topic 2: Preparing for IRT Subgroups

- We may have at least one (possibly two) additional elements to this IRT on the way: Transfer Policy and LEA issues (awaiting input from the Board)
- If and/or when we receive these additional items, we propose to use subgroups to focus on these topics and bring proposals back to the IRT for consideration
- Subgroups would meet on weeks when IRT does not meet.
- Please plan to volunteer if you have experience in and would like to contribute in these areas.

# Next Steps

- Provide your feedback on v1 Policy outline no later than 12 December.
- Next meeting 13 December—will discuss:
  - Anything relevant/next steps from 8 December Board meeting;
  - Input received on v1 Policy outline
  - Preview: first substantive topics for discussion in January--likely WHOIS labeling and data escrow

# Thank you!
