No

5. Do you foresee any likelihood that your current employer (or other person or entity identified in response to question 3) will participate in any such auctions in the future?

No

6. Do you individually and/or through any entity intend to apply for funding through the mechanism that is to be determined through the work of this CCWG?

I do not intend individually to apply for funding through the mechanism set by this group, neither does my employer NTRA, nor the center that I lead the Domain Name System Entrepreneurship Center (DNS-EC). However, I would like to mention that the DNS-EC is a partnership between ICANN and NTRA to foster the domain name ecosystem in the region, where NTRA incubates the center and hires its employees. The center is currently a department within NTRA, however if the DNS-EC legal position changes and is no longer a department within NTRA nor related to NTRA, then I don't know whether or not DNS-EC will apply for funding through the mechanisms that is to be determined by this group.
