

New gTLD Auction Proceeds CCWG: Declaration of Intention

As required by the new gTLD Auction Proceeds CCWG Charter, you are requested to provide the following information which will be posted on the CCWG wiki together with your Statement of Interest. You are required to report any changes that may occur in relation to these intentions throughout the CCWG life-cycle.

1. Name

Evan Leibovitch

2. Affiliation (Name of SO/AC or if not applicable N/A)

At-Large

3. Please identify your current employer and, if applicable, any person or entity that is compensating you or has promised future compensation for your participation in this CCWG.

I have no present or anticipated income deriving from my participation in any facet of ICANN

4. Has your current employer (or other person or entity identified in response to question 3) participated in any auctions to resolve string contention within the New gTLD Program?

No.

5. Do you foresee any likelihood that your current employer (or other person or entity identified in response to question 3) will participate in any such auctions in the future?

No.

6. Do you and/or through the entity you are representing and/or employed by, intent to apply for funding through the mechanism that is to be determined through the work of this CCWG?

Nothing specifically at this time. However, based on my interests and work history it is always possible that an entity that I may work with or for in the future may develop a project that (depending on criteria) may be the subject of an application for funds.

Signed (Please note electronic signatures are acceptable):

A handwritten signature in black ink, appearing to read "Stanford", is written over a light grey rectangular background.

Notes

- Should your responses change at any time you are required to provide an updated Declaration of Intent.
- If this information is not provided in a timely manner, the member or participant will be required to interact with the work of the group via observer status until such time the information is provided.
- If any of this information is found to be inaccurate you will be required to be required to interact with the work of the group via observer status until such time corrected information is provided.
