Joke Braeken:hi Annebeth!

Bart Boswinkel:Hi all

Joke Braeken:hi All!

Annebeth Lange, ccNSO:Hi, I am just finishing the WT2 conference call. I'll be with you in a moment.

Heather Forrest:Hi Annebeth!

Alexander Schubert:Hi..... from snowy Riga...

Rosalía Morales:hello all, from sunny Costa Rica

Annebeth Lange, ccNSO:Lucky you, Rosalia. Here the winter comes crawling onto us

Heather Forrest:I suspect Carlos might be unable to join us today

Joke Braeken:thank you Heather, I added him to the list of apologies

Laura Watkins:Hi all

Cheryl Langdon-Orr:I will only be in Audio AC and chat as I am also attending another ICANN call. Sorry

Heather Forrest:Thanks, Cheryl

Emily Barabas:@Annebeth, please let us know if you would like staff to read out the recommendations on the screen

Annebeth Lange, ccNSO:I think that is a good idea. Emily

Heather Forrest:I thought we removed the phrase "at all levels of the DNS" from Recommendation 2

Joke Braeken:I see that this draft is from 25 Oct.

Joke Braeken:prior to that decision.

Heather Forrest:sorry annebeth

Heather Forrest:Having trouble with the phone

Heather Forrest:will fix and raise hand again shortly

Annebeth Lange, ccNSO:Try to get connected

Heather Forrest:No need to type to me, Annebeth I hear you

Cheryl Langdon-Orr:agreed Bart...

Laura Watkins:I think that sounds like a sensible suggestion  
Bart

Cheryl Langdon-Orr:indeed

Heather Forrest:I

Heather Forrest:I'm not sure what

Rosalía Morales:I support Bart's suggestion  
Heather Forrest:I'm not sure what's wrong - I appear to be off  
mute but you can't hear me  
Heather Forrest:hear  
Heather Forrest:I will have to ring back in and start over!  
Emily Barabas:let us know if you need a dial out  
Heather Forrest:I am back on and the operator heard me just  
fine, so fingers crossed  
Cheryl Langdon-Orr:good plan Heather  
Rosalía Morales:I think Annebeth's recommdation to include all  
stats is valid  
Rosalía Morales:even though not everyone participates numbers  
and facts are important to be recorded and mentioned in the  
Interim report  
Cheryl Langdon-Orr:annexed statements sure ok with me  
Cheryl Langdon-Orr:YES please before next Meeting as an end  
point  
susan payne:I think we need to move this on, but it would be  
preferable to have explanatory statements put out with the  
version that goes to comment  
Rosalía Morales:I also agree with Bart's suggestion  
Laura Watkins:agree that we need to include context when we go  
out for public comment  
Heather Forrest:Let's work together within our groups to  
develop context statements as Laura and Susan have suggested  
Heather Forrest:agreed  
Griffin Barnett:agree with this approach  
Laura Watkins:agree  
Alexander Schubert:Bye!  
Alexander Schubert:Hahaha  
Laura Watkins:Thanks Annebeth!  
Timo Vöhmar:bye  
Cheryl Langdon-Orr:Bye  
Rosalía Morales:bye everyone
