

Notes from CEP Meeting June 6th, 2017

- How to get more involvement
 - Put down position and circulate
 - Point to debate...that's what will get people interested
- Develop a 2-pager for Johannesburg
 - Should be done one week before
 - June 20th, 2017
- Framing (perception vs bylaws)
 - Cost issues
 - Council/legal
 - Access issues
 - Council/legal
 - Expansion
 - What is the role of ICANN in shaping this framing?
 - What is the link between the IRP and CEP characterized as?
 - Should the CEP and IRP be framed together?
- Documenting
 - Restate the purpose in the bylaws as gatekeeper?
 - Access vs Cost (as a an issue to raise for debate)
- Comment and Structures
 - My notes:
 - Small claims- legal focus
 - Lawyers?
 - Number of people in rooms
 - Combining CEPs?
 - Location of CEP
 - Do we address the specifics after Johannesburg and instead focus on generating a document that asks questions?
 - This pertains to all the issues within general CEP discussion
- Neutral 3rd Party
 - What is legal precedent?
 - Mediator?
 - Allowed in as a matter of right?
 - If CEP and IRP are connected
 - Need to recognize that IRP has legal restrictions on case type (should make this clear in the 2-pager for those not familiar)
- Next meeting 1.5 hours
 - Develop the 2-pager
 - Anna is going to code the interviews...but not before Johannesburg (sorry!)
