Dear Alice and Other Review Team Staff Colleagues;

This email is to serve as formal notice that the leadership of the Governmental Affairs Advisory Committee (GAC) has endorsed applicant Liu Yue of the Chinese Academy of Information and Communications Technology (CAICT) to serve on the ATRT3 effort (see - <https://community.icann.org/pages/viewpageattachments.action?pageld=64063723&metadataLink=true>). We are advising Mr. Liu of this decision. We will also advise the other candidate who sought GAC endorsement, Mr. John Fanning, of the GAC's decision to not endorse his application.

Please advise if you need any more information at this stage of the process.

Best,

Rob
