Letter of Motivation to volunteer as ccNSO Appointed Liaison to the GNSO

As required by the Call for Volunteers, I am applying as a volunteer as the ccNSO Appointed Liaison to the GNSO as stated above.

I have represented the Nigeria Internet Registration Association (NiRA) the Registry/Managers of the .ng ccTLD for a few years and have participated in the ccNSO activities since for many years.

I work as a Business Transformation and Business Startup Consultant in Nigeria at the firm of FOG & Bakers Resources Ltd (which I co founded in 2012), I am also a member of the Executive Committee of the board of NiRA and currently act as its Treasurer, a position I have held for two consecutive terms (4 years).

I bring a deep insight of the domain name industry spiced with entrepreneurship inclination to the table if taken as the volunteer. I will also bring my experience with working with several startup organizations on the African continent to bear.

I am very abreast and comfortable with the multi stakeholder and consensus building process/approach of ICANN and would work in this line if given the opportunity.

In addition to this Letter of Motivation, I am also attaching my CV detailing areas of professional and academic qualifications, A Statement of Intent (SOI) as well as a letter of support from NiRA (the .ng ccTLD). I am Looking forward to serving the community.

Thank you very much.

Yours faithfully
