11-16 March 2017

## Proposed Agenda

- To what degree is your membership actively participating in CCWG-Accountability Work Stream 2? What could the Board or ICANN organization do to facilitate participation and timely completion of this work? (Question from the Board)
- What policy/advice issues are top priorities for your group? (Question from the Board)
- What are the priorities for the Board in 2017?
- Stewardship of the ICANN model and protection of the GNSO/PDP remit.
