COPENHAGEN

11-16 March 2017

Proposed Agenda

- CCWG - Country names: Current state of affairs, publication of Interim Report. Expectations re: ccNSO and GNSO Councils in near future?
- CCWG Internet Governance: Progress update charter? Next steps?
- CCWG Auction Proceeds: Progress to date.
- Scheduling ICANN meetings: How to improve the process?
- Charter review CSC, combined action with RySG and ccNSO (review) and ccNSO - GNSO (adopt updated charter, if any update)
- EC AC/Empowered Community: Processes and procedures that need to be in place to make Empowered Community and more importantly ICANN as whole effective. What are priorities? What needs to be done to make this work more effective, efficient and coordinated?
