Reporting Requirement:

A brief report on the impact and outcomes of the outreach activity is required to process payment. This report will be posted on a public wiki.

Qualifying Questions:

1. How does the Request align with the local RALO Outreach Plan?

The Read-Out will be used to continue support ICANN outreach efforts in Puerto Rico. This type of event will provide our new ALS members: Colegio de Ingenieros de Puerto Rico (+9,000 members) and ISOC Puerto Rico Chapter Members (ALS) the opportunity to get an intimate view of ICANN thus creating an ideal environment to promote engagement within these.

2. How it meets the [RALO Discretionary Funding Criteria](#)?

The expenses are low and within the guidelines.

3. How does the Request align with: ICANN's Mission, Core Values and Commitments?

The event is a primary event for civil society and a good example of community engagement to the end user community and aligned to the ICANN Evolution mission of stakeholder engagement. It helps educate our community on the policy direction of ICANN.

4. How, in your view, does this support ICANN's regional engagement strategy?

Increases/enhances end user participation in ICANN's PDPs; promoting the ICANN's multi-stakeholder model and its bottom up decision.
