Dear Erika, Ching.

I am pleased to confirm that the ccNSO Council, during its meeting on 20 August, has adopted the Final Report of the Cross-Community Working group on new gTLD Auction Proceeds dated 29 May 2020. As per the rules of the ccNSO, the decision to adopt the Final Report became effective seven (7 days) after publication.

The ccNSO Council supports the recommendations 1-12 contained in the Final Report, as well as the Guidance provided. The Council notes the minority positions contained in the Report, but does not support any of them.

The Council expresses its appreciation and congratulates the Working Group, and specifically the co-chairs of the CCWG AP - Erika Mann and Ching Ciao – for completion of the process.

Best regards,

Katrina Sataki, ccNSO Council Chair
