

ICANN Bylaws Section 4.3(j)(ii)

(B) ICANN shall issue a call for expressions of interest from potential panelists, and work with the Supporting Organizations and Advisory Committees and the Board to identify and solicit applications from well-qualified candidates, and to conduct an initial review and vetting of applications.

(C) The Supporting Organizations and Advisory Committees shall nominate a slate of proposed panel members from the well-qualified candidates identified per the process set forth in Section 4.3(j)(ii)(B).
