AFNIC	Main Recommendations	Aftic welcomes the recommendations on Guidelines for standards of contact presumed to just good fath associated with secriting removal of individual Directors of the KANN based (Guidelines for Good Fath or GOS). These recommendations provide the required starffication on what constitutes Good Fath within the new Community power framework.	Support neted.
AFNIC	Stand-Alone Recommendations	Afric's support includes support for the stand-alone recommendations. Extending the purpose of these guidelines to any discussion regarding the exercise of Community powers appears not only sensible, but also necessary.	Support noted.
AFNIC	Other	Finally, we would like to make two extra suggestions, directed to other aspects of the CWA-Accordability Work Stewns 2. First, the enhancement of \$50/Ac accordability may also benefit from considering two this type of Good Faith publishess may be encluded in a set of \$0.00 for per practices, second, we believe similar Guidelines may also be considered by the \$2x8f accordability working group, if issues of Good Faith were raised as part of its issue identification effort.	These suggestions will be forwarded to the SO/AC Accountability and Staff Accountability subgroups for their consideration.
GNSO-BC	Main Recommendations	The BC endorses the draft recommendations on Guidelines for standards of conduct presumed to be in good faith associated with searcising removal of individual Directors of the CANN Board.  This comment was approved in accord with the BC charter.	Support noted.
Sam Lafranco	Main Recommendations	For the process to be far and manageable as good fash conduct. It is issued as that "A standard fearwards to the obligate" and It is issued as the "A standard fearwards to the obligate" and I was a standard fearwards to the obligate and I was a standard fearwards to standard fearwards to read I was a standard fearwards to read on the fact and and appealing process, and meniness complications that for all and and all the process of the standard for and and and a standard fearwards and a standard fearward fearwards and a standard fearward fearwards and a standard fearward	Support noted however this suggestion goes beyond the use of the working group on good fash balanchers.
National Internet Exchange of India	Main Recommendations	Politions for removal a may be for any reason: The phrase "may be for my reason" in two older and has the interpreted in claded reasons.
