

Privacy and Proxy Service Provider Accreditation Program

Registrar Subteam Meeting| 19 April 2017

Agenda

- Subteam operations and meeting format
- Next steps on Privacy/Proxy labeling
- Next steps on Privacy/Proxy abuse reporting criteria

Registrar Subteam

- Subteam convened to consider questions/issues involving registrars
- Subteam will develop proposed solutions to present to IRT for discussion
- Preferred subteam schedule/mode of operation?

Next Steps on Labeling

- Topic discussed with IRT 14 Feb, 11 April
- IRT recommends exploring use of existing fields to implement labeling requirement
- Subteam to develop proposal utilizing existing fields
- Proposal to be vetted in subteam, with full IRT to ensure technical concerns are adequately addressed
- **How would subteam like to pursue this work?**

Points to Consider in Developing Proposal

- Goal is to require a “clear” label and avoid confusion
- Should label be required to be placed in a specific field?
- Should a specific format be required for label?
- Differences between privacy and proxy labels?
- Internationalized data issues

Next Steps on Abuse Reporting Criteria

- Abuse report criteria discussed with IRT at ICANN58, on 4 April
- Summary of IRT input and known requirements from Final Report distributed to subteam
- Recommended 4 April that subteam could develop best practice guidelines, possible floor and ceiling for mandatory abuse reporting criteria

Points to Consider on Abuse Report Criteria

- Any minimum criteria for an abuse report (a floor)
- Any maximum criteria for an abuse report (a ceiling)
- Recommended best practices for:
 - Receipt of abuse report
 - Contents of abuse reports
 - Provider responses to abuse reports

Thank you!
