

Relaunched ALS Onboarding Program

1

Newcomer Onboarding

With a significant increase in the number of accredited At-Large Structures (ALS) and individual members joining the At-Large community since January 2016, an At-Large Onboarding Program is being **relaunched this month**.

2

Purpose

The goal is to engage **new** At-Large Structure (ALS) and Individual Members, by introducing them to RALO Leadership, ALAC Chair and At-Large Staff, and calls to action to **keep them engaged**.

3

Format

We have decided to combine the previous two webinars (an informal At-Large Staff introduction + formal RALO Chair / ALAC introduction) into one 90-minute webinar event. We are also going to split up the RALOs, starting with **AFRALO on 11 May at 17:30 UTC**.

4

Next Steps

New AFRALO ALSes will be invited to meet with the Chair of the ALAC and AFRALO leadership F2F during ICANN59 in Johannesburg, South Africa.

ALS Onboarding will be scheduled for remaining RALOs. RALO Secretariats will determine frequency of Onboarding Webinars.

RALO Scheduling
