

# Privacy and Proxy Service Provider Accreditation Program

IRT Meeting | 13 June 2017

# Agenda

- Status Update: ICANN59 Meeting with PSWG
- IRT Feedback: PSWG Proposal
- Next Steps

# Summary of IRT Feedback on PSWG Proposal

- Scope and definitional issues/questions:
  - “LEA” definition—jurisdictional limits may need clarification
  - “Requested information”—definition goes beyond how “disclosure” is defined in Final Report
  - Interplay between requirements and global privacy legislation

# Summary of IRT Feedback on PSWG Proposal

- Issues/questions related to request process:
  - Need for specificity re: priority levels (should high-priority be defined with greater specificity?)
  - Issues related to publishing public LEA contact
  - Should LEA be required to verify identity when submitting request rather than requiring provider to verify?

# Summary of IRT Feedback on PSWG Proposal

- Issues/questions related to provider actions:
  - Request receipt process—is 24-hour review period reasonable?
  - Should customers be notified by default? (note Final Report recommendation re: LEA requests for confidentiality)
  - What does “actioned” mean?
- Additional comments/questions noted throughout

# Thank you!
