Carlton SAMUELS: (03:57) Morning all

Erika Mann: (03:57) Hello!

Erika Mann: (03:58) Alan, All - Leaving you today after an hour, have to catch a plane I

Alice Jansen: (04:00) Good morning/afternoon/evening - thank you all for joining!

Dmitry Belyavskiy: (04:00) Hello all!

Erika Mann: (04:09) Alan - I recommend to replace the word 'replacement' member with 'new' member

Volker Greimann: (04:14) apologies, am in now

Carlton SAMUELS: (04:14) I accept Karen's + Alan's explanation of the Board's role in appointment. I also endorse a supermajority threshold.

Erika Mann: (04:14) Understood

Erika Mann: (04:15) No objection with 'disruptive' - I can't see that it will have a negative implication in our group. But otherwise I'm fine in taking it out.

Cathrin Bauer-Bulst: (04:15) I think we should not take the whole para out.

Erika Mann: (04:15) No

Carlton SAMUELS: (04:15) I say leave it in with a change to 70% threshold!

Erika Mann: (04:16) Ok

Carlton SAMUELS: (04:20) @Volker: Good addition !

Cathrin Bauer-Bulst: (04:21) Alan, I think you just reduced our scope to zero if we don't comment on anything others have already agonized over :-)

Carlton SAMUELS: (04:24) Effectiveness refers to the three items after "whether"!

Erika Mann: (04:27) It's not a scope issue, indeed

Erika Mann: (04:29) old hand

Erika Mann: (04:37) I certainly will

Carlton SAMUELS: (04:37) What does this say really? How can one "examine" steps without detailed analysis of data protection laws?

Carlton SAMUELS: (04:38) Where I come from that's what you call a pig in lipstick!

Erika Mann: (04:38) ... a pig in lipstick???

Erika Mann: (04:39) No, not outdated but not really relevant

Erika Mann: (04:40) Agree, I wasn't arguing against it

Carlton SAMUELS: (04:40) @Erika: Meaning selling an idea we know is dumb on its face. Think Ms Piggy. Still a pig even if you put on a string of pearls and lipstick on her

Erika Mann: (04:40) Yes

Erika Mann: (04:41) Got it Carlton! Thanks!

Carlton SAMUELS: (04:43) There are general principles in the GDPR we can adopt even without a law to refer!

Erika Mann: (04:46) Yes, I agree this indeed

Erika Mann: (04:49) I agree

Erika Mann: (05:05) I have to catch a plane ... apologies!

Alice Jansen: (05:05) Thanks, Erika- safe travels

Erika Mann: (05:05) Thank you Alice

Carlton SAMUELS: (05:06) @aLAN: lol

Erika Mann: (05:07) Agree but keep it

Cathrin Bauer-Bulst: (05:08) no I do care

Cathrin Bauer-Bulst: (05:08) and would like to hear from staff about it if possible

Alice Jansen: (05:09) Thanks, Cathrin - we will make sure to relay the request for clarification to our colleague who manages fact sheets

Cathrin Bauer-Bulst: (05:10) I agree with the substance point, Alan

Cathrin Bauer-Bulst: (05:11) it would be great to move beyond procedure
