Julf Helsingius: I see I need to update my title...

Julf Helsingius: Thanks :)

Juan Manuel Rojas: Are there any facilities for transport from Airport to Hotel?

Renata Aquino Ribeiro: Juan we're responsible for our own transportation and uber seems to be the cheapest way

Renata Aquino Ribeiro: juan or a local bus service

Juan Manuel Rojas: Thanks.

Julf Helsingius: Some of us might not want to use uber right now...

Greg Shatan: Is Lyft in Iceland?

Renata Aquino Ribeiro: ah yes, forgot about that

Renata Aquino Ribeiro: no lyft, i checked

Benedetta Rossi: I will follow up with the meetings team at ICANN to see if they have further information to share regarding transportation

Renata Aquino Ribeiro: Benedetta thanks

Barbara Wanner: There is a bus service from the Int'l airport to all of the hotels called Flybus -- <https://www.re.is/flybus>. Seems reasonably priced.

Julf Helsingius: Nice and balmy compared to Helsinki (or even Amsterdam)

Poncelet Ileleji: thanks Benedetta

Jonathan Zuck: AT least we won't be staring out the windows since it will be mostly dark...

Greg Shatan: We should coordinate arrival times so we can ride share.

Philip Corwin: Daily weather seems to be running in the 30sF with either cold rain or snow

Greg Shatan: Same weather today in NYC.

Philip Corwin: Sun rises about 10 am and sets about 5 -- so 7 hours daylight

Joan Kerr: The Flybus plus goes straight to the hotel.
