Discussion Items

1. Timing/Location Discussion (finalization – if possible)
2. AOB

Discussion Items

1. Do any of those options impose severe constraints on the ability of your members to attend? If so, what are they and can they be overcome?
2. During the suggested time frame for late April/beginning of May are there major conflicts due to other Internet Governance, Regional, standards bodies, trade association, other, meetings? If so what are they and when will they take place?
3. Beyond Johannesburg, late Aug/early Sept, are there major conflicts due to other Internet Governance, Regional, standards bodies, trade association, other meetings? If so what are they and when will they take place?
4. Can you rank the 3 options on the table in order of preference.
