

Internet's Global Ecosystem

Panel-led Discussion

Jia-Rong Low, ICANN

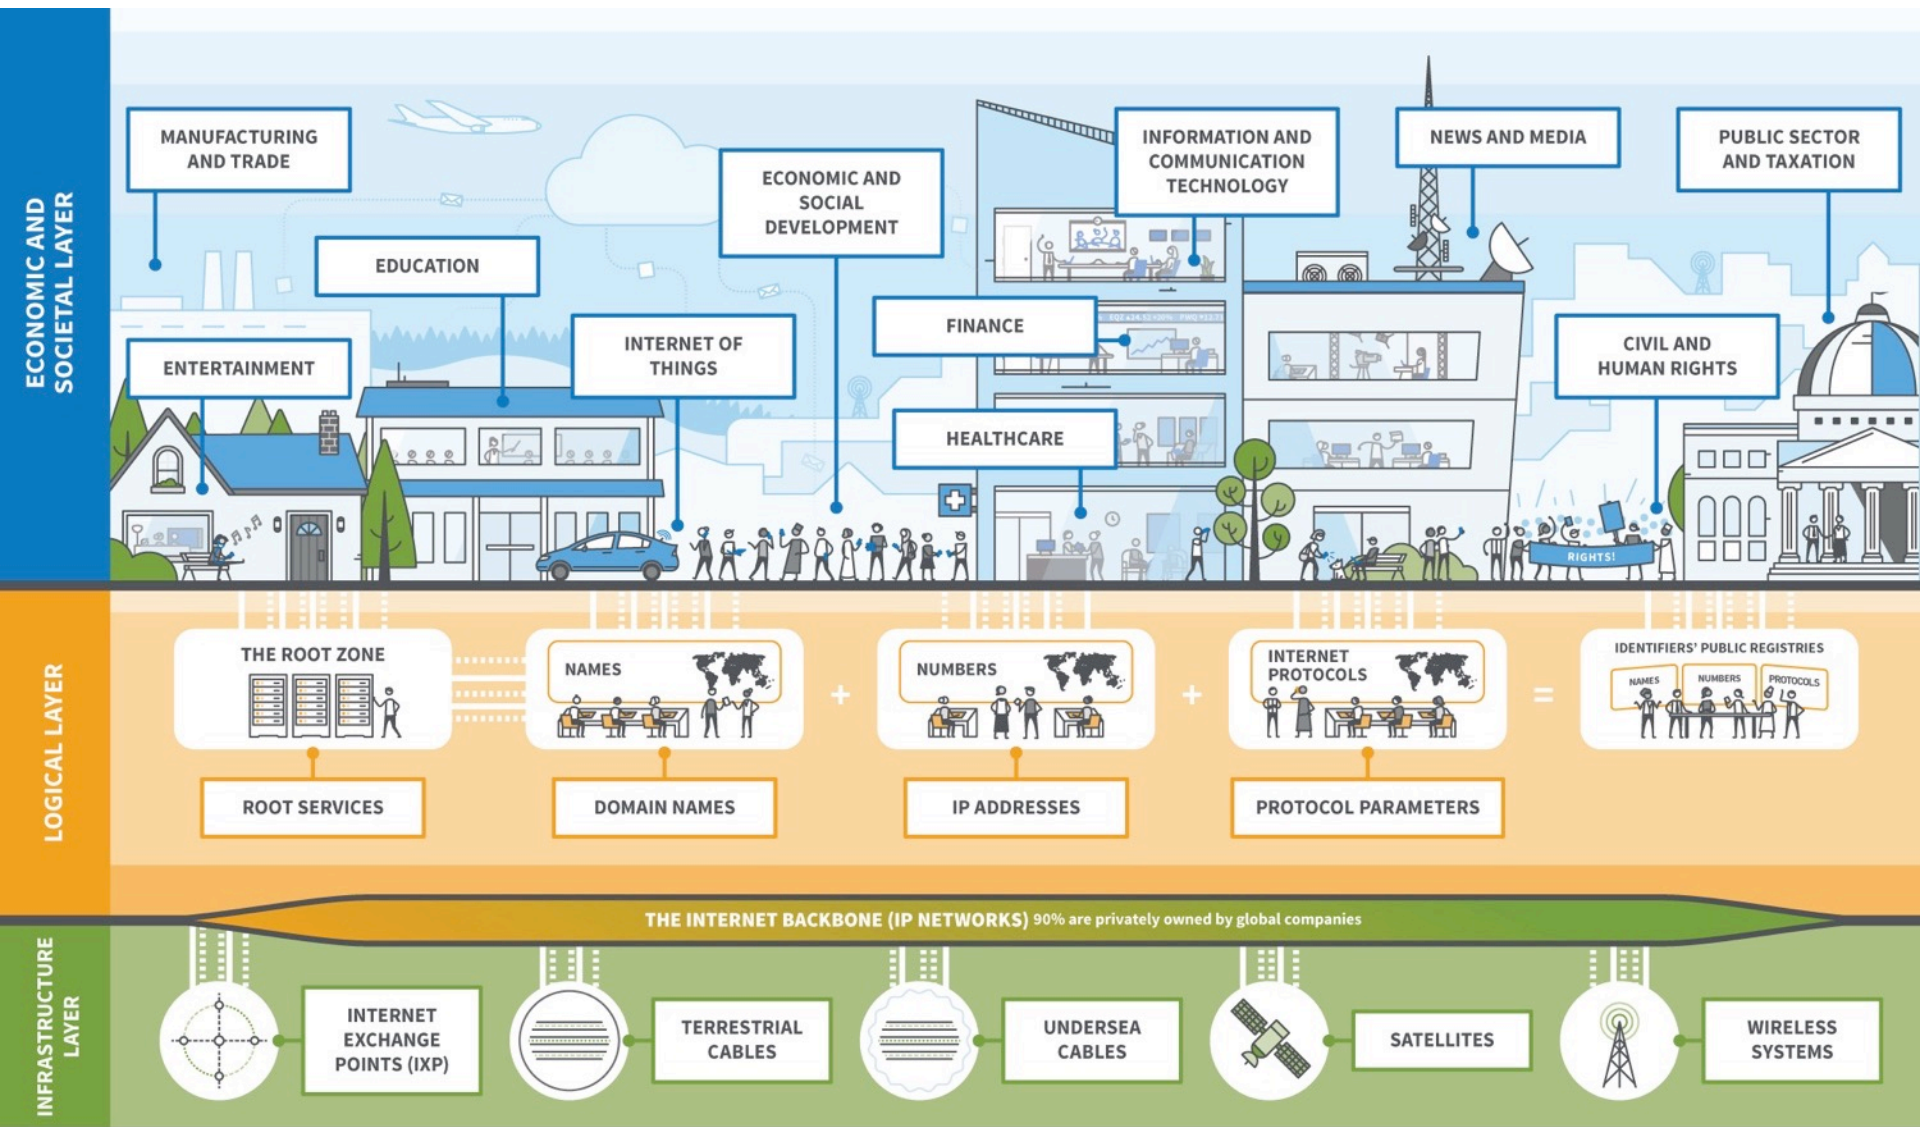

Leonid Teodorov, APTLD

Pablo Hinojosa, APNIC

Noelle De Guzman, ISOC

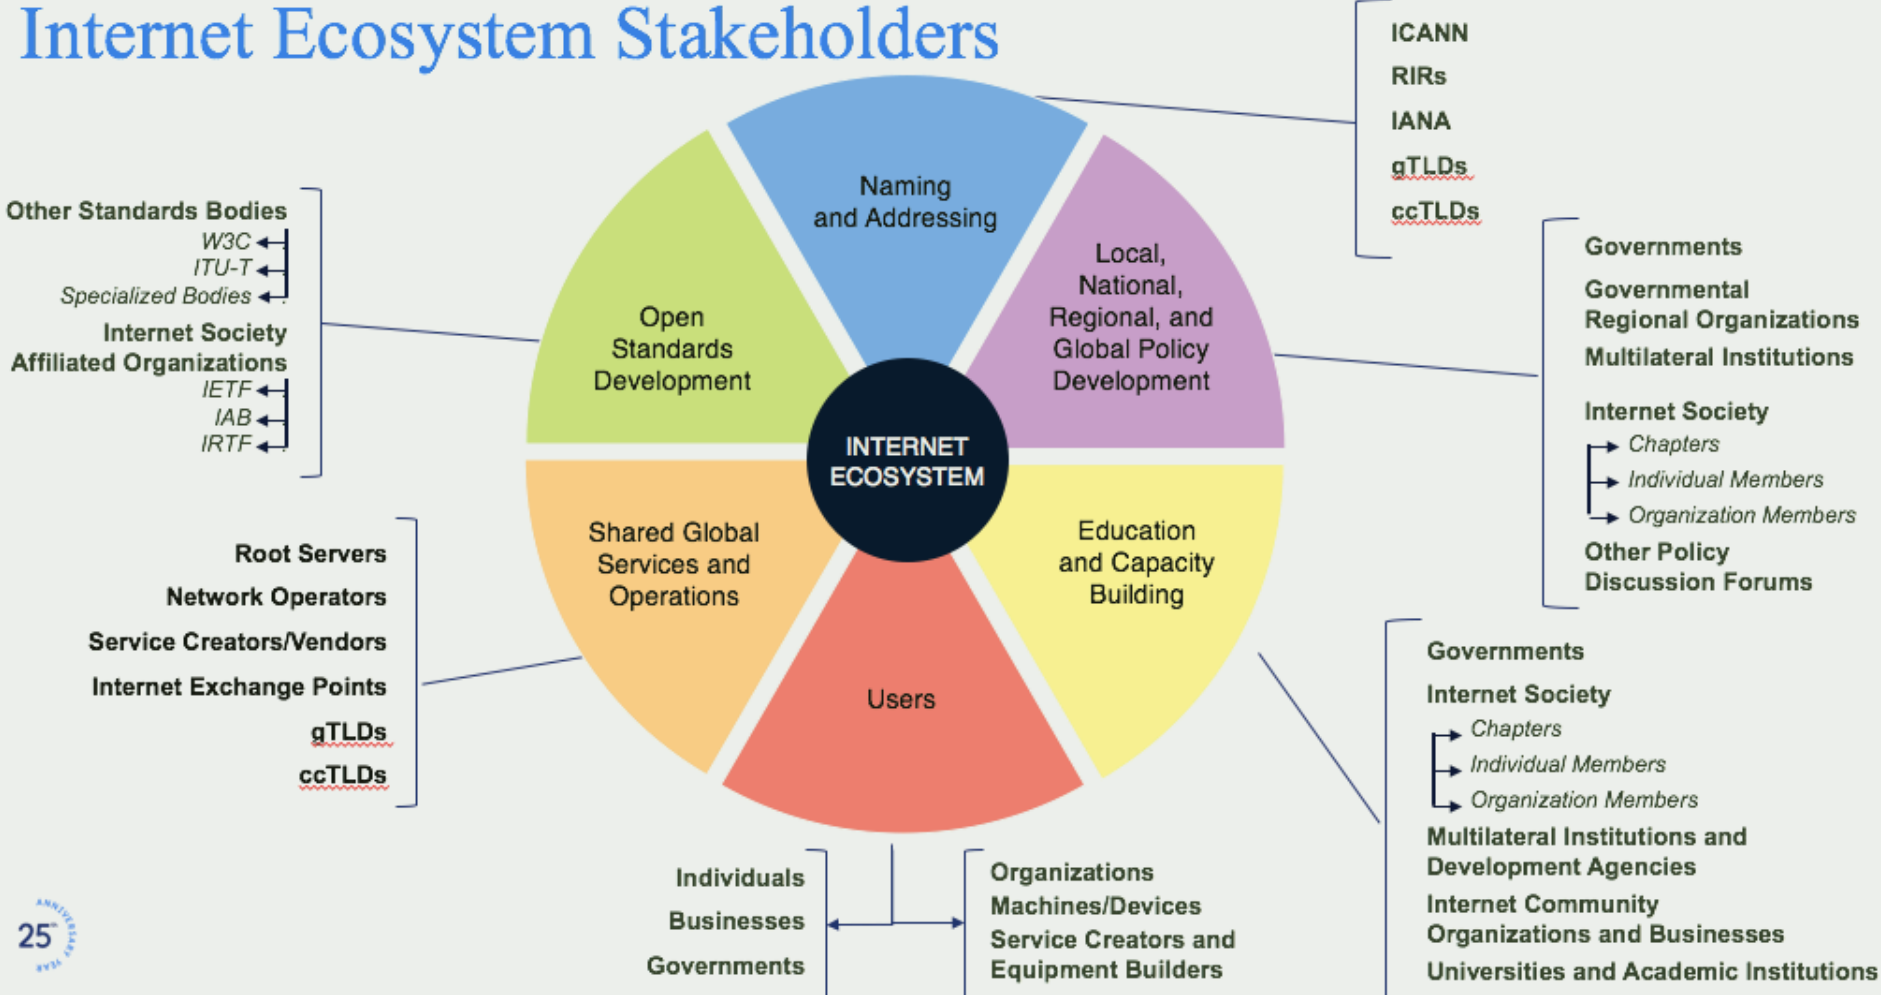

The 3 'layers'

Internet Ecosystem Stakeholders

Internet Ecosystem Stakeholders

- ⊙ ‘Multistakeholder’ and ‘Governance’
- ⊙ Governance ‘*of*’ or ‘*on*’ the Internet
- ⊙ Where do other stakeholders fit in?

- **Break into groups**
 - Government
 - Logical layers organizations/platforms
 - Users
 - Private sector
- **Problem statement**
 - What are key areas/considerations you think about in ‘governance’?

Discussion (Cont'd)

- **Problem statement**

- What are key areas/considerations you think about in 'governance'?

- **Delivery**

- Put down a list
- Categorize them in the 3 layers and see how things fit
- What platforms are there to discuss these issues?
