Jean-Baptiste Deroulez: (09:08) no

Brenda Brewer: (09:08) David, happy to call out to you.

Carlton Samuels: (09:09) Good morning all. Had to allow adobe add-in ! :-)

David Taylor: (09:09) im back!

Jean-Baptiste Deroulez: (09:09) yes

Carlton Samuels: (09:09) I will no try for the phone bridge!

Carlton Samuels: (09:10) Having echo!

Lauren Kapin: (09:24) My screen d/n show Carlton's revision.

Jean-Baptiste Deroulez: (09:26) let me send it to you Lauren

Lauren Kapin: (09:27) No need, I have Carlton's email. Can everyone else see it?

Drew: (09:37) Thanks Carlton

Jamie Hedlund: (09:58) Just to be clear, I am not suggesting that the recommended efforts are outside of ICANN's remit. My concern is that some of the recommendations are really mandates. Mandates, especially when they would bypass community consideration, exceed the authority of the CCTRT.

Carlton Samuels: (10:07) Thank you all. I will do as requested
