The At-Large Organizational Structure (Heidi)

5 REGIONAL AT-LARGE ORGANIZATIONS (RALOs) — OVER 220 AT-LARGE STRUCTURES (ALSes)

The At-Large Structures form the basis of the At-Large community representing the interests of individual internet users worldwide. The five RALOs unite our ALSes based on their geographic regions, namely Africa (AFRALO), Asia, Australasian and Pacific Islands (APRALO), Europe (EURALO), Latin American and the Caribbean Islands (LACRALO), and North America (NARALO).

AT-LARGE ADVISORY COMMITTEE (ALAC) — 15 MEMBERS

10 selected by RALOs to serve on ALAC (2 from each RALO)

5 selected by Nom Com to serve on ALAC (1 from each region)

SEAT #15 ON THE ICANN BOARD IS SELECTED BY ALAC

At-Large Working Groups (Heidi)

Working Groups

Many At-Large working groups are dedicated to ICANN **policy discussions** and **advice development activities**. Many others tackle various aspects of organization building, such as advancing **accessiblity and inclusion** at ICANN, testing **communication and collaboration** tools, planning **outreach and engagement** projects, developing **capacity building** programs for newcomers, and fulfilling **operational needs** of the Community. Almost all of our working groups are open to everyone regardless of membership status in At-Large.

Accessibility
Advances accessibility and inclusion at ICANN by understanding and tackling the particular needs of populations who face challenges to participate in the policy development work.

ALAC Appointee Selection Committee
Receives and reviews Expressions of Interest for various ALAC appointments until the end of the ICANN57 Hyderabad meeting.

ALS Criteria & Expectations
Makes recommendations to the ALAC regarding the criteria and expectations for ALSes and how those expectations relate to the work of the RALOs.

At-Large Review 2015 - 2019
Collaborates with ICANN Strategic Initiatives Department to prepare for the formal review process of the At-Large Community.

Board Candidate Evaluation Committee (BCEC)
Identifies and compiles an initial slate of candidates for the ICANN Board Director position selected by the At-Large Community (ICANN Board Director Seat #15).

Board Member Selection Process

CROPP Review
Coordinates and manages At-Large's efforts related to the Community Regional Outreach Pilot Program (CROPP).

Finance & Budget
Focuses on issues related to the development of ICANN Fiscal Year Budget and reviews ALAC's and RALOs' Special Budget Requests.

ICANN Academy
Assists in the development of a Leadership Training Program within ICANN.

ICANN Evolution
Discusses the transition of US Government Stewardship of the IANA function in relation to the discussions taking place in other fora such as the ICG, RIR, IETF, ISOC and IAB spaces. Also focuses on discussion and progress in the CCWG on Enhancing ICANN Accountability

IDN Policy
Addresses challenges and promotes knowledge regarding the implementation of Internationalized Domain Names (IDNs) in the Root Zone.

Metrics

Outreach & Engagement
Oversees and coordinates the outreach and engagement efforts of the At-Large Community at local and regional levels; aims to build awareness of ICANN, recruit new members, and engage current members.

Public Interest
Discusses issues related to the public interest in the context of ICANN and the manner in which end users are impacted.

Registration Issues
Reviews the entire scope of the Registrar Accreditation Agreement (RAA), looks at the challenges faced by Registrants, and seeks to make recommendations to mediate those challenges.

Social Media
Develops a strong and sustainable presence of the At-Large Community on social media; coordinates the content creation for At-Large's Twitter and Facebook and provides live feed during ICANN international meetings.

Technical Issues
Focuses on the stability, safety, and security of Domain Name System (DNS) and covers issues such as DNSSEC,
