Brief Overview

Purpose:

Focusing on ICANN's commitment to the multistakeholder model, ICANN's Draft FY19 Operating Plan and Budget and the current year update to the Five-Year Operating Plan are provided for community discussion and public comment. ICANN seeks structured feedback on the plans described in these documents. The documents incorporate improvements on previous years based on regular interaction with the ICANN community and reflect FY19's planned

4. Five-Year Operating Plan Update

5YOPU FY18 → FY19 Types of Changes

1

Strategic Plan

Objectives and Goals are defined in the Strategic Plan and remain unchanged

4

Dependencies

Dependencies updated to reflect completed work, events that have happened, and arising situations

2

Portfolios

Portfolios updated to reflect work that will be completed in FY18, work to be started in FY19, and refinements to work that will continue. This includes moving portfolios between goals following organizational changes.

5

Phasing

Phasing updated based on planned progress for FY18 and to give additional detail in FY19 and beyond

3

Accountability Indicators

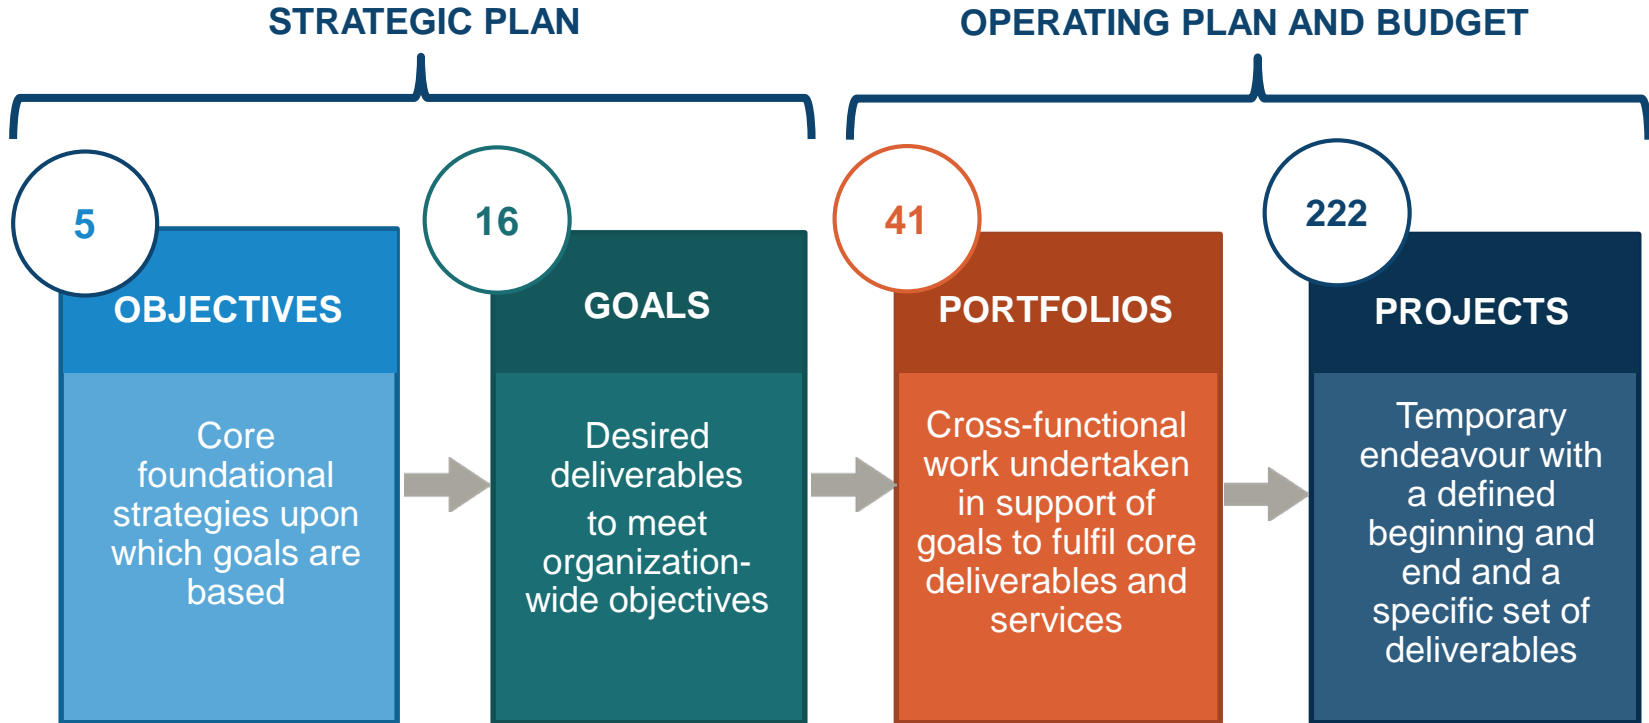

Accountability Indicators launched as a replacement for the KPI Dashboard early in FY18. We are now focusing on measuring our accountability to the community and many measurements are redesigned

Five-Year Operating Plan Updates

- ⦿ **This is year 4 of the Updates to the 5-year Operating Plan:**
 - Small differences in timing or deliverables, most notably in
 - WS2 implementation now funded by operations
 - Reviews associated with the Affirmation of Commitments that have now been incorporated into the Bylaws are called Specific Reviews.

\$ in USD Millions

¹ FY18 Adopted Budget in June 2017

² FY18 Forecast is the most recent data on FY18

FY19 Budget Highlights

1

FY19 Budget balanced

- Funding = Operations expenses = \$138M
- Significant shift in budgeting only for defined requirements, and not including tentative and unapproved potential work.
- Draft budget include \$6m of cost reductions to offset inflation and necessary increases.

2

Funding increases at a slower rate

- Funding of \$138M, 2.6% above the FY18 forecast \$135M.
- Slower growth in funding as all new gTLDs are now delegated.

3

ICANN Operations expenses

- Operations expenses are stable year on year.
- Personnel expenses increase offset by cost reductions (FY19 \$133.5M vs. FY18 Forecast \$133.3M, both excluding contingency).

4

Headcount Trends

- Total ICANN headcount in FY19 is growing at a slower pace.
- End of Period headcount for FY19 is 425 or 1% higher than the expected headcount of 421 for the end of FY18.
