steve metalitz:@Caitlin, when will v.3 of the application be distribute to the list?

Greg DiBiase:seems like a step in the right direction, but will need to review afterwards

Eric Rokobauer:+1 Greg

Vlad Dinculescu:Agree with Greg

Roger Carney:+1 Greg

Sara Bockey:Will need time to review before confirming but agree with Greg, appears to be a better direction

Vicky Sheckler:+1 Metalitz

Mary Wong:I'm having a problem hearing Steve well

Margie Milam:Im going offline, but will still be on the phone

steve metalitz:@Mary sorry but AC is not allowing me to connect audio so am using cell phone.

Vicky Sheckler:there must be some accomodation that can be reached re: not having the complaints in limbo during this transition

Mary Wong:No worries, Steve - thanks!

Mary Wong:@Vicky, @Steve - that's why we are looking to the IRT to further discuss this. The Final Report contained some general principles, and the PDP Working Group discussed a few scenarios but there were no specific details to this extent, and this issue currently under discussion may be (as Caitlin says) a problem we as staff have noted.

Vicky Sheckler:let us think about it some more, and send something to the list

Vicky Sheckler:thx

Greg DiBiase:trouble hearing steve

steve metalitz:will send any suggestions to the list....

Greg DiBiase:I support the change to 30 days

Roger Carney:Thanks!!

Vicky Sheckler:thx

Vlad Dinculescu:Thanks all

Lisa Villeneuve:thanks

Eric Rokobauer:thanks!
