steve metalitz:Hi Michelle, there is nothing at that link regarding agenda. Is that intentional?

Caitlin Tubergen:Hi Steve, the agenda for today's call is to go over the deliverables status, as there appeared to be some confusion on that. Additionally, we will be going over the questions I posed in my last email to see if there is any further feedback.

steve metalitz:OK thanks.

Caitlin Tubergen:No problem!

Sara Bockey:Agree that Dec 1 is needed and appreciate this extra time

steve metalitz:not on mute...

Michelle DeSmyter:We are not able to hear you

Eric Rokobauer:In support of the Dec 1st date and yes +1 to Sara's comments

steve metalitz:no objection to Dec. 1

Michelle DeSmyter:If you need a dialout, I can certainly dial out to you

Eric Rokobauer:appreciate the update - feel good here

steve metalitz:+1 Helpful review

Sara Bockey:Agree that it would be beneficial to get feedback and review in holistic manner

Darcy Southwell:Agree with Caitlin ... we should wait to get all comments back before reviewing/discussing draft documents

steve metalitz:There were a couple of general issues raised but perhaps can be discussed on list. E.g., whether to match all definitions, GDPR, etc.

Vicky Sheckler:agree w/ above, so long as we keep to a firm 12/1 deadline for comments

Lindsay Hamilton-Reid:Agree with Darcy. There are a lot of issues with the current draft.

steve metalitz:+1 Vicky re firm Dec. 1 deadline

steve metalitz:So our next call would be Dec. 5?
