- Overview of assessment, recommendations, and public input (Interisle)

- General discussion

- Wrap-up and next steps (RWP Chair, ICANN Org)

- AOB

Proposed Timeline

Open Session	**Final Report delivered**	**FAIIP**	**IE & RWP present work to OEC**	**Board decision**
ICANN62 26 June 2018	**2 July 2018**	**July – December 2018**	**Early 2019**	**2019**

IE previews Final Report with RWP before it is submitted to ICANN organization and published.

RWP completes Feasibility Assessment and Initial Implementation Plan (FAII).

OEC considers the Final Report, FAII, public comments; makes recommendation to the Board re: action on each recommendation.

Board takes action on the recommendations. Implementation planning and work begin.

Implementation team is formed, supported by ICANN org.
