Actions: Participants revised the proposed bylaws. They will be emailed shortly for your review, comment, approval. A follow-up conference call was proposed to address the proposed MOU language. Details will be forthcoming. An in-person meeting also was suggested, to be held in conjunction with a planned Internet event in Asia-Pacific (eg. APTLD meeting which may be held 20-21 June in Hong Kong). This will be discussed further on the APAC-ALS@atlarge-lists.icann.org email list.
