

## **Adobe Connect - Chat Transcript from CCT Review Safeguards Subteam Meeting #34 15 November 2017**

Brenda Brewer: (11/15/2017 08:43) Good day all and welcome to CCT-RT Safeguards Subteam meeting #34 on 15 November 2017 @ 15:00 UTC. Please note this call is being recorded. Thank you!

Calvin Browne: (09:05) hi all - just JZ & myself?

Calvin Browne: (09:05) grr phone not wanting to connect...

David Taylor: (09:06) hello, I'm in listening mode also :)

Jean-Baptiste Deroulez 2: (09:11) I have the powerpoint ready if you need

Jean-Baptiste Deroulez 2: (09:14) done already

Brian Aitchison: (09:20) RE 3 Laureen and team: may be worth recalling the SADAG study did find a statistically significant correlation btwn RRs and dns abuse (phishing)

Brian Aitchison: (09:21) fwiw

Calvin Browne 2: (09:27) haha - was slightly confused there - RR in DNS is resource records ...

Jean-Baptiste Deroulez 2: (09:27) @Laureen, have not received it yet.

Brian Aitchison: (09:27) ha sorry calvin. acronym overlap is inevitable in this environment :-)

Brian Aitchison: (09:28) also apologies all, have to drop for another call. let me know if anything comes up for my attention!

Jean-Baptiste Deroulez 2: (09:29) just received it!

Jonathan Zuck: (09:44) or a value judgement

Jean-Baptiste Deroulez 2: (09:46) yes please

David Taylor: (09:58) thanks

David Taylor: (09:58) I have to drop on the hour

Calvin Browne 2: (09:59) sure...

Calvin Browne 2: (10:00) ciao
