Meeting Notes

The GP discussed the following agenda items:

- 1. IP feedback on Devanagari LGR proposals.** The GP discussed the feedback. The members shared that the feedback was being reviewed and the proposal will be updated taking the feedback into consideration.

The GP was informed that IP used a corpus of Devanagari words or labels found online for XML validation. The corpus includes variation from different languages and may include misspelt words which is useful test cases to check failing conditions.

For the question raised for Nepali in the feedback from IP, Dr. Bal and Nepali members will review and respond on the mailing list.

- 2. Release date for Devanagari LGR Proposal.** The GP agreed that it is preferable to finalize the next version and submit the proposal by 7 October 2017 and circulate to NBGP members. The release date of Devanagari LGR Proposal is aimed for 15 October 2017.
- 3. The key leaders for other scripts.** It was agreed that each script should have a key leader who would drive the proposal. NBGP members identified candidates for each script. Jay will create the key leader sheet and circulate it via the mailing list.

4. **Next F2F meeting.** The GP was informed that the efforts for organizing Neo-Brahmi GP F2F meeting in Sri Lanka are underway. Holding the meeting in Sri Lanka would allow setting the joint meeting with Sinhala GP. Currently, the potential hosts are considering a date during the second or third week of December.

5. **Preparation for ICANN60.** The GP chair suggested an informal side meeting of the NBGP during ICANN60 for those who will be at the meeting. The participating members are requested to submit confirmation to the chair via email or WhatsApp group.
