Krishna Seeburn - Kris:hi thanks

Krishna Seeburn - Kris:the group is getting smaller by the day and two other groups are getting bigger

Nathalie Peregrine:Lori Schulman has joined the audio bridge

Krishna Seeburn - Kris:these are good for me

Wolf-Ulrich Knoben:I'm fine with it

Krishna Seeburn - Kris:it will be good encourgement

Krishna Seeburn - Kris:no worries am fine with the proposal

Krishna Seeburn - Kris:i'd like to propose that we keep track of a matrix to see effectiveness but it has been

Krishna Seeburn - Kris:workable

Krishna Seeburn - Kris:its the rotation

Krishna Seeburn - Kris:but i would still like to see how good this works out

Berry Cobb:I'd also note that it is very challenging to get to the data to perform this analysis at a more broad level in that locations of WG members is not connected to attendance records. A centralized WG onboarding and attendance tool would help centralize this data for a more robust analysis on how community members participate.

Sara Bockey:Definitely want to look at location but I would also suggest lifestyle/commitments would come into play. You may be in APAC but not able to attend during working hours or late evenings due to family matters.

Krishna Seeburn - Kris:thiat is helpful and makes sense

Krishna Seeburn - Kris:it is not always residence issue for sure....

Krishna Seeburn - Kris:fine by me

Krishna Seeburn - Kris:+1

Wolf-Ulrich Knoben:I'm fine with it

Krishna Seeburn - Kris:Am happy with this approach

Sara Bockey:i'm good

Krishna Seeburn - Kris:We just have to make sure that leadership of the groups undertand the challenges

Krishna Seeburn - Kris:good for me

Krishna Seeburn - Kris:ok...let's see through

Krishna Seeburn - Kris:That would be good

Krishna Seeburn - Kris:5th of Jan it is

Krishna Seeburn - Kris:i see no issues with your proposal

Krishna Seeburn - Kris:great

Krishna Seeburn - Kris:no problem

Krishna Seeburn - Kris:how abou the 6th of Jan

Krishna Seeburn - Kris:this would tally out the acountablity group work but very short for staff
Wolf-Ulrich Knoben:01 Feb is not a good idea
Sara Bockey:11th and 18th seems possible and easiest if that works for everyone
Nathalie Peregrine:NCPH Intersessional is the 1st and 2nd Feb 2018
Krishna Seeburn - Kris:ok am also ok with 11th or 18th
Wolf-Ulrich Knoben:+1
