Nathalie Peregrine: Welcome Kris!

Kris Seeburn: hi ladies

Kris Seeburn: funny i think i am late but too much ahead of time

Nathalie Peregrine: But thanks for joining early!

Kris Seeburn: how are we doing on schedule....we be done before the official set schedule?

Sara Bockey: Good morning/afternoon/evening :)

Nathalie Peregrine: Welcome!

Kris Seeburn: hi sara and hi sara

Lori Schulman: There was an 8 am call yesterday too. Lots of calls this week.

Lori Schulman: I am on Eastern time. For Pac folks its 5 am.

Sara Bockey: Agree Lori!

Sara Bockey: It's 6am here in AZ :)

Lori Schulman: It's a bit much but I have been MIA for most of the winter due to illness. I have been advised that I need to modify my schedule and no flying for the rest of the month.

Kris Seeburn: Please put down a kind of attendance or metrics to see whether it is working

Kris Seeburn: ok that sounds great.....

Sara Bockey: Yes, and I've seen this happen :)

Kris Seeburn: i find that consensus is still a problem in many WGs...i am wondering if there is anything we can do

Marika Konings: but there is the ability to track 'attendance' for GNSO Learn, no? So could it be made a requirement to take certain courses?

Marika Konings: not in person I mean, but that it has been taken

Kris Seeburn: maybe we could do face to face training plannings - perhaps that will help the new members

Kris Seeburn: i understand ...but if you see the list of elected sometimes you find that many did not go through them....

Lori Schulman: If there is a requirement to take courses then are they all online?

Lori Schulman: The Face2Face Leadership program was very good. I was sorry that more couldn't take it. There were no phone leadership courses and I think that is a great idea.

Kris Seeburn: +1 ulrich

Kris Seeburn: that would be good

Kris Seeburn: when comes to leadership it is a real challenge and also the understanding of consensus

Kris Seeburn: but i am in support with wolf ulrich

Marika Konings: Maybe providing information on all the training available in an integrated manner may already help?

Kris Seeburn: ALAC is doing that already

Kris Seeburn: they started...that recently

Kris Seeburn: i think it works if we do....

Emily Barabas: I have been able to hear Julie

Nathalie Peregrine: @ Wolf-Ulrich, the audio is fine on the audio bridge, would you like us to dial out to you?

Nathalie Peregrine: the AC audio is far less reliable.

Nathalie Peregrine: Oh you're on the bridge :)

Wolf-Ulrich Knoben: Thanks Nathalie, I'm on the phone

Kris Seeburn: i would keep it

Kris Seeburn: i would take constituencies and break into region as well

Kris Seeburn: agree with you ulrich

Kris Seeburn: by the way you are right it will be important to have a list of outreach activities from all constituencies

Kris Seeburn: in one place

Sara Bockey: thanks all

Kris Seeburn: thanks.....catch you all

Lori Schulman: thank you Wolf Ulrich for pulling the heavy oar
