Jeff Neuman
Co-Chair, Subsequent Procedures PDP Working Group

Dear Cheryl and Jeff:

As requested in your 6 November 2018 letter, ICANN org has performed a review of the Subsequent Procedure PDP Supplemental Initial Report (Five Additional Topics) and are providing implementation feasibility input that we hope will be helpful to the PDP Working Group in its continued deliberations to formulate final policy recommendations.

We appreciate the opportunity to provide input on the Supplemental Initial Report and have also submitted this input to the public comment forum so that it is available for review by the wider community. We remain available to answer any questions that the PDP Working Group may have as it works toward finalizing policy recommendations.

Sincerely,

Trang Nguyen
