Lyman Chapin: Add underneath:

Lyman Chapin: We recommend the SSAC reflect on its list of upcoming priorities to assess how they align with current member interest, skills, and time availability. If there are important topics that the SSAC does not have the time to take on, this can be flagged for the Membership Committee to help determine if there are Invited Guests that could be brought into the SSAC for selected topics.

Chris Llop: Thanks Lyman, I'm copying this into my notes to record it.

Chris Llop: And thank you for making the time to join us!
