Vanda Scartezini:hy everyone...

Cheryl Langdon-Orr (CLO):hi all

Christa Taylor:Hello

Christa Taylor:https://urldefense.proofpoint.com/v2/url?u=https-3A__docs.google.com_document_d_1guiX3L0FQAd7ZpwYIJI4FdY3pv09u0EnHMAark84tmg&d=DwIFaQ&c=FmY1u3PjP6wrcrwlI3mSVzgfkbPSS6sJms7xcl4I5cM&r=QjF-05YzARosRvTYd84AB_UYInlydmFcjNmBM5XgySw&m=5qZI9Q3TYSkOXmB5tl6fYFIdiZbjQsVQNAv-txWO8AA&s=j7DIQOKjNInsuLafEJSRWuGd0GL9Mt02KDKy_z4-Jt0&e=

Maxim Alzoba (FAITID):Hello All

Alan Greenberg:I cannot initiate a private chat. Am I the only one?

Vanda Scartezini:i send one sentence to you
Cheryl Langdon-Orr (CLO):I am able to
Julie Bisland:@Alan, you might need to close out of AC, just rejoining might fix this.
Vanda Scartezini:Outreach was the main problem for LAC region at least as a developing region
Maxim Alzoba (FAITID):I think those with blue suits on the left can initiate private chat and grey can not (what does it mean?)
Maxim Alzoba (FAITID):adding (add my mic) and muting it might help
Julie Bisland:the gray icons are phone connections only
Maxim Alzoba (FAITID):thanks
Alan Greenberg 2:Thanks all, worked once I logged off and on again.
Maxim Alzoba (FAITID):who will decide if the attempt of gaming was undertaken?
Vanda Scartezini:I believe not alan
Cheryl Langdon-Orr (CLO):very important point @Available
avri doria:the review process was arduous. so yeah, they would notice.
Vanda Scartezini:next is ok
avri doria:yeah, i co-chaired a group in ALAC that tried to pin it down, and we couldn't. seems to have been a panoply of reasons.
Vanda Scartezini:@ avri- yes. not one answers fits all. depend on the country/ region..
Cheryl Langdon-Orr (CLO):perhaps a request /required post process interview or survey for all applicants under this process?
Vanda Scartezini:from this region we did in the end of 2015
Christa Taylor:Looking at page 23
Jonathan Robinson:Thanks Sara. Happy to discuss any aspects.
Jim Prendergast:what is meant by "meets SLA"? is that 100% of the time?
Maxim Alzoba (FAITID):SLA are in RA
Maxim Alzoba (FAITID):s
Maxim Alzoba (FAITID):and it is defined there
Cheryl Langdon-Orr (CLO):agree on the benefits of including questions for community response
Maxim Alzoba (FAITID):I was talking about .wed
Maxim Alzoba (FAITID):where EBERO was reached due to not paying for backend services
Maxim Alzoba (FAITID):that is why I was talking about the backends who were not the reason for EBERO
Maxim Alzoba (FAITID):https://urldefense.proofpoint.com/v2/url?u=https-3A__www.icann.org_news_announcement-2D2017-2D12-2D08-2Den&d=DwIFaQ&c=FmY1u3PJp6wrcrwl3mSVzgfkbPSS6sJms7xcl4I5cM&r=QiF-05YzARosRvTYd84AB_UYInlydmFcjNmBM5XgySw&m=5qZI9Q3TYskOXmB5tI6fYFIdiZbjQsVQNAv-txWO8AA&s=y2jIG8AnCyKUOqCHrle7zCHy5E1iZJ4w8TC_GQW0nlg&e=
Christa Taylor:I believe they are Kurt's
Sara Bockey:ha! sorry. It's been a really long two weeks for me
Jonathan Robinson:No problem Sara.
Jonathan Robinson:So. Looks like process controls are a good idea but perhaps a little too ambitious for now
Vanda Scartezini:+ 1 Jonathan
Cheryl Langdon-Orr (CLO):security and stability must always be overriding principles
Maxim Alzoba (FAITID):Have we seen yet EBERO costs for .WED?
Jonathan Robinson:Thanks. I am not wedded to the preamble or formatting of the text. But, keen to ensure we don't add another layer of cost / overhead onto the industry.

Maxim Alzoba (FAITID):NOTE: EBERO can be triggered without RSP's failure (for example not paying ICANN bills)

Vanda Scartezini:thank you all very interesting discussion.

Christa Taylor:20:00

Cheryl Langdon-Orr (CLO):good progress today team, thanks everyone... bye ðŹŹŹŹ for now.

Ashley Roberts:Thank you

Maxim Alzoba (FAITID):bye all
