

Chat Transcript ICANN61

Andee Hill: (3/11/2018 18:23) Hello, my name is Andee Hill and I will be monitoring this chat room. In this role, I am the voice for the remote participants, ensuring that they are heard equally with those who are "in-room" participants. When submitting a question that you want me to read out loud on the microphone in this session, please provide your name and affiliation if you are representing one, start your sentence with <QUESTION> and end it with <QUESTION>. When submitting a comment that you want me to read out loud on the microphone, once again provide your name and affiliation if you have one then start your sentence with a <COMMENT> and end it with <COMMENT>. Text outside these quotes will be considered as part of "chat" and will not be read out loud on the mic.

steve metalitz: (18:26) Hi, is there going to be 2-way audio for this session or do I need to phone in in order to speak?

Andee Hill: (18:29) Hi Steve, we do not have a phone bridge set up for this session but you can <comment> and we can ask your question(s)

steve metalitz: (18:35) QUESTION What assumptions have you made re number of applicatoins? QUESTION

steve metalitz: (18:35) *applications*

steve metalitz: (18:37) QUESTION Without a concrete number of applications expected how can you calculate a per application cost in the right hand column QUESTION

Sara Bockey: (18:45) I really was expecting something a bit more itemized re the fees

Andee Hill: (18:47) Sara, would you like this comment read aloud?

Andee Hill: (19:02) Section 5.2.3 in the PP draft agreement re. de-accreditation process

Sara Bockey: (19:04) COMMENT: This isn't just about US LEA and the largest providers on the planet. You have to consider other countries and gov'ts. This language can be abused other law enforcement in countries that do not have constitutional rights. That must be considered. COMMENT

steve metalitz: (19:06) QUESTION What is the basis for the estimate that 80% of providers are "small"? Does this include affiliates (or wholly owned subs) of accredited registrar (which are subject to a 24 hour turnaround under RAA)?

Sara Bockey: (19:07) @Andy please read out my comment

Andee Hill: (19:08) @Sara, you are next

Amy Bivins 2: (19:09) Some additional background. The requirement for a provider to respond under this framework will

be limited to LEA from the provider's jurisdiction. See Section 1.1. The "LEA Requestor": A Requester that is a law enforcement, consumer protection, quasi-governmental or other similar authority designated from time to time by the national or territorial government of the jurisdiction in which Provider is established or maintains a physical office.

steve metalitz: (19:11) COMMENT @Roger -- registrars have a similar requirement under RAA 3.18.2

Sara Bockey: (19:12) Steve, the RAA is not held to this standard. RAA is to review the request within 24, not respond. This is a higher standard than the RAA requirement

Dina Solveig Jalkanen: (19:14) Could you kindly state your name when talking? Thanks! o/

steve metalitz: (19:15) @Sara, yes re RAA, but reviewed by a person empowered to take necessary and appropriate action.

steve metalitz: (19:15) *necessary*
